1. Pick out a costume for your character. You can be as creative as you'd like!
2. Choose a backdrop that you are going to film in front of.
3. Film your character introducing themselves and sharing a little about who they are!
4. Film your character sharing what they are doing today.

NOTE: Feel free to also submit bloopers so we can include them at the end of the movie! Remember that bloopers are silly, accidental moments that happen while we film, and that they are **not** done on purpose. This is why they are funny!

REMINDER: Make sure to speak up AND make sure your adult is holding the camera **horizontally!**
