

# ***SONG: Swampalot!***

by Jordan Palmer for *Kidstock! Creative Theater*

## **VERSE 1**

Fishes and sun

are all we're about.

We don't need a ton,

just what the swamp gives out

Other folks want mansions and limos,

but we, wherever we go, will want what we have now.

## **CHORUS**

We ain't got swamp a little; we got Swamp a lot!

Your fate ain't swamp a little when there's Swamp a lot!

It's great when swamp a little is the best you've got,

But we ain't swamp a little; we're in Swampalot!

## **VERSE 2**

Frogs make music,

and fog is like a blanket.

The bog lets us use it,

and we sing to it to thank it.

Other folks want castles and moats,

but we, wherever we go, will feel as free with mud and stones!

## **CHORUS**

We ain't got swamp a little; we got Swamp a lot!

Your fate ain't swamp a little when there's Swamp a lot!

It's great when swamp a little is the best you've got,

But we ain't swamp a little; we're in Swampalot!

---Dance Break---

## **CHORUS**

We're in Swampalot! x2
