## scene 1

*in the field the Sunflowers are reviewing the history of the feud*

### **SUNFLOWER 1 - Sunny**

The sun sure is hot today, isn't it Sally?

### **SUNFLOWER 2 - Sally**

Mmmm...I just love facing the sun!

### **SUNFLOWER 1 - Sunny**

Better be careful your petals don't wilt!

### **SUNFLOWER 2 - Sally**

Mind your own petals Sunny!

### **SUNFLOWER 3 - Suzie**

Now, now, now, there is no reason to bicker!

### **SUNFLOWER 4 - Sammy**

No reason to bicker!

### **SUNFLOWER 5 - Sandy**

We hear enough bickering Suzie! It makes my leaves droop!

### **SUNFLOWER 3 - Suzie**

You're not the only one with droopy leaves Sandy!

### **SUNFLOWER 4 - Sammy**

My leaves are very droopy!

### **SUNFLOWER 4 - Sandy**

All of our leaves look pretty droopy!

### **SUNFLOWER 6 - Stella**

That's because we haven't been watered for days and days!

### **SUNFLOWER 7 - Shelia**

My roots are absolutely parched Stella!

### **SUNFLOWER 6 - Stella**

Well Shelia if they'd stop feuding with each other maybe they would start watering us!

**SUNFLOWER 7 - Shelia**

Wouldn't that be wonderful?

**ALL SUNFLOWERS**

"sigh"

**scene 2**

*at the Van Gogh farm the family is complaining about their neighbors the Monets*

**PAPA VAN GOGH**

*looking out with binoculars*

Those darn Monets have the curtains drawn - I can't see a thing Mama!

**MAMA VAN GOGH**

Well Papa they are up to no good if you ask me!

**PAPA VAN GOGH**

They've always been up to no good!

**MAMA VAN GOGH**

That's why we are feuding' with them, right?

**GRAMMY VAN GOGH**

Why ARE we feuding with them exactly?

**COUSIN VAN GOGH**

Gee GRAMMY I don't know. I figured you would remember!

**GRAMMY VAN GOGH**

Son, I'm so old I don't remember things like I used to.

**COUSIN VAN GOGH**

But you MUST remember what started the feud!

**PAPA VAN GOGH**

What started the feud? I'll tell you what started the feud!

**MAMA VAN GOGH**

They moved in and dug that silly old pond!

**GRAMMY VAN GOGH**

Filled it with the water we need to grow our sunflowers!

**COUSIN VAN GOGH**

Who would want silly old water lilies when you could have tall magnificent sunflowers?

**ALL VAN GOGHS**

*in unison*

The Monets!

**scene 3**

*at the fence Tony is caught spying on the Monets by his friends*

**TONY VAN GOGH**

*looking out with binoculars*

Gosh, I never realized how beautiful the Monet's garden was....

**PABLO PICASSO**

Tony Van Gogh! What are you doing?

**EDGAR DEGAS**

You're pretty brave to get this close to the fence that divides the land between your family and the Monets.

**PABLO PICASSO**

Edgar's right! Have you lost your mind?

**EDGAR DEGAS**

Wait a minute! I know that look...he hasn't lost his mind, he's lost his heart Pablo!

**TONY VAN GOGH**

What are you two talking about?

**PABLO PICASSO**

*grabbing the binoculars from Tony*

You're not admiring their beautiful garden.....

**EDGAR DEGAS**

*grabbing the binoculars from Pablo*

You're admiring their beautiful daughter!

**TONY VAN GOGH**

*grabbing the binoculars from Edgar*

Her name is Maria. And no I am not!

*Tony starts to storm off but turns around*

And what if I am?

*PABLO & EDGAR shake their heads in disbelief and run after him*

**scene 4**

*in the pond the water lilies are reviewing the history of the feud*

**WATERLILY 1 - Wilma**

I just love floating in our pond!

**WATERLILY 2 - Wanda**

Me too Wilma! But you ARE crowding me a bit...

**WATERLILY 1 - Wilma**

I'm crowding you? Maybe if your leaves weren't so large Wanda!

**WATERLILY 2 - Wanda**

My leaves are perfect! It's your lilly that's in the way!

**WATERLILY 3 - Wendy**

Ladies! Please! There is no need to have a spat!

**WATERLILY 4 - Winnie**

Wendy is right! All we do is listen to fighting between the Monets and the Van Goghs

**WATERLILY 5 - Whitney**

Those two families behave like a bunch of sticks in the mud!

**WATERLILY 3 - Wendy**

Speaking of mud, don't you think the pond is muddier than usual today Winnie?

**WATERLILY 4 - Winnie**

The water level does seem a little low. What do you think Whitney?

**WATERLILY 5 - Whitney**

The pond has been getting lower and lower for years now.

**WATERLILY 6 - Waverly**

That's because no one ever comes down here to take care of the pond anymore!

**WATERLILY 7 - Winona**

Waverly is right! All they focus on is feuding!

**WATERLILY 6 - Waverly**

Oh Winona, remember the good old days when Papa Monet would set up his easel on the bridge and paint me?

**WATERLILY 7 - Winona**

You? He was painting me, not you!

**ALL WATER LILIES**

*everyone argues that THEY were the subject of the painting*

**scene 5**

*at the Monet Farm the family is complaining about their neighbors the Van Goghs*

**PAPA MONET**

*looking out with binoculars*

Those sneaky Van Goghs! They've moved their house further away from ours! Again!

**MAMA MONET**

*turning his binoculars around the other way*

Papa, you're looking through the wrong end of these things again!

**PAPA MONET**

Whatever!. Wishful thinking I guess.

**MAMA MONET**

We will never stop feuding with those Van Goghs until they move away for good!

**GRAMMY MONET**

About that...why ARE we feuding with them exactly?

**COUSIN MONET**

Well because of all the terrible things they have done to us over the years GRAMMY!

**GRAMMY MONET**

Yes, yes, yes, I know that Cousin...but exactly WHAT terrible things?

**COUSIN MONET**

*struggling to think of an example*

Well there are just too many to mention GRAMMY!

**PAPA MONET**

I know why we are feuding! It's that field of Sunflowers!

**MAMA MONET**

Ever since they planted those horrid yellow stalks our pond has run dry!

**GRAMMY MONET**

Those darn tootin' plants have roots that suck up all OUR pond water!

**COUSIN MONET**

Who would choose a sunflower over a fragrant water lily?

**ALL MONETS**

*in unison*

The Van Goghs!

**scene 6**

*at the fence Maria is caught spying on the Van Goghs by her friends*

**MARIA MONET**

looking out through binoculars

Gosh, I don't think I've ever appreciated how magnificent the Van Gogh's sunflower field is....

**FRIDA KAHLO**

Maria Monet! What are you doing?

**GEORGIA O'KEEFE**

If your Papa catches you this close to the fence that divides the land between your family and the Van Goghs...

**FRIDA KAHLO**

Georgia is right! Have you gone mad?

**GEORGIA O'KEEFE**

Oh oh! I know that look....she HAS fallen mad Frida....madly in love!

**MARIA MONET**

Stop this nonsense talk!

**FRIDA KAHLO**

*grabbing the binoculars from Maria*

You're not appreciating the sunflower field....

**GEORGIA O'KEEFE**

*grabbing the binoculars from Frida*

You're appreciating the Sonny Van Gogh!

**MARIA MONET**

*grabbing the binoculars Georgia*

His name is Tony, not Sonny. And no I am not!

*Maria starts to storm off but turns around*

And what if I am?

*FRIDA & GEORGIA shake their heads in disbelief and run after him*

**scene 7**

*in the field the sunflowers sense something is about to happen*

SUNFLOWER 1 - Sunny

Has anyone else been paying attention to what's going on over at the fence?

SUNFLOWER 2 - Sally

I can't believe my petals!

SUNFLOWER 1 - Sunny

Tony seems to be spending a lot of time there...

SUNFLOWER 2 - Sally

With his binoculars!

SUNFLOWER 3 - Suzie

Maybe he is spying on what those Monets are up to?

SUNFLOWER 4 - Sandy

What ARE they up to?

SUNFLOWER 5 - Sandy

Up to no good if you ask me!

SUNFLOWER 3 - Suzie

I actually think he is only spying on ONE Monet.

SUNFLOWER 4 - Sandy

Just one?

SUNFLOWER 5 - Sandy

Probably Papa Monet! I have a very bad impression of him!

SUNFLOWER 6 - Stella

Frankly I think Tony has lost his mind.

SUNFLOWER 7 - Shelia

Well madness does run in the family.....

SUNFLOWER 6 - Stella

A Van Gogh has NEVER gotten along with a Monet!

SUNFLOWER 7 - Shelia

And rightly so! After all the Monets have caused us all sorts of trouble!

## conflict song: BADLY FRAMED part one

### scene 8

*on the Van Gogh farm the family shares rumors they have heard about Tony at the fence*

PAPA VAN GOGH

Have you seen my field of sunflowers?

MAMA VAN GOGH

They sure look droopy!

PAPA VAN GOGH

Those Monets! Stealing our water for their pond and leaving me with droopy sunflowers to paint!

MAMA VAN GOGH

Want me to get the cat after them again?

GRAMMY VAN GOGH

What is that cat going to do? Whiskers is not our secret weapon!

COUSIN VAN GOGH

*grabs binoculars to look*

Well SOMEONE is keeping secrets!

GRAMMY VAN GOGH

What are you talking about cousin?

COUSIN VAN GOGH

Oh my! Isn't that YOUR son?

PAPA VAN GOGH

*grabs binoculars*

It sure is!

MAMA VAN GOGH

*grabs binoculars*

What is he doing at the fence between our land and the Monet's?

GRAMMY VAN GOGH

I knew this day would come! The family secret is about to repeat itself!

**scene 9**

*at the fence Tony is confronted by his friends for speaking to a Monet*

TONY VAN GOGH

What are you guys doing here? Go away!

PABLO PICASSO

What are you doing here again?

EDGAR DEGAS

This is a dangerous dance you are pursuing!

PABLO PICASSO

You can't be serious about wanting to be friends with a Monet?

EDGAR DEGAS

He's not going to listen Pablo. It's like he only has one ear!

TONY VAN GOGH

That's my father Edgar! Besides, you can't just put people in boxes because of their last name Pablo.

PABLO PICASSO

I don't PUT people in boxes Tony, I just paint them that way.

EDGAR DEGAS

Yeah, it's called "cubism"!

TONY VAN GOGH

Shh! Here she comes! If you won't go away then just be quiet, okay?

**scene 10**

*in the pond the water lilies sense something is about to happen*

WATERLILY 1 - Wilma

Do you realize how long it has been since Papa Monet has brought his easel down to the pond to paint us?

WATERLILY 2 - Wanda

I heard he has been in the field painting those boring haystacks!

WATERLILY 1 - Wilma

Why would he choose to paint hay when there are so many more colors here in the garden?

WATERLILY 2 - Wanda

Have you seen his haystacks?

WATERLILY 3 - Wendy

Papa Monet must wear rose colored glasses!

WATERLILY 4 - Winnie

More like RAINBOW colored glasses!

WATERLILY 5 - Whitney

Well whatever glasses he is wearing they are making him blind to what is going on!

WATERLILY 3 - Wendy

What are you talking about?

WATERLILY 4 - Winnie

I know what she is talking about...haven't you noticed how much time Maria is spending at the fence between the two farms?

WATERLILY 5 - Whitney

Well, she doesn't like to come down to the pond because of the water rats!

WATERLILY 6 - Waverly

It's those Van Goghs that are the rats!

WATERLILY 7 - Winona

I thought for sure when we sent our rats over to scare them they would move!

WATERLILY 6 - Waverly

All that happened was our rat and their cat became the best of friends?!

WATERLILY 7 - Winona

But cats and rats can't be friends! Can they?

## **conflict song: BADLY FRAMED part two**

### **scene 11**

*on the Monet farm the family shares rumors they have heard about Maria at the fence*

PAPA MONET

*looking through binoculars toward pond*

It's getting worse! My pond is even lower than usual. And my water lilies are wilting!

MAMA MONET

That's because those Van Goghs are somehow stealing all our water for their sunflower fields.

PAPA MONET

*looking through binoculars toward field*

I know, I know! But what I don't know is why their sunflowers are so droopy..?

MAMA MONET

*grabbing binoculars to look*

That is very strange. They should be well watered with all of our missing pond water!

GRAMMY MONET

Has anyone seen my granddaughter Maria?

COUSIN MONET

If you're looking for her I'd check out the fence that divides our land from the Van Goghs...

GRAMMY MONET

Why? What in the world would she be doing there?

COUSIN MONET

I'm not sure, but I think she has been secretly talking to the Van Gogh boy.

PAPA MONET

That's absurd! No self respecting Monet would talk to a Van Gogh.

MAMA MONET

What sort of impression would that make?

GRAMMY MONET

I knew this day would come. The family secret is about to repeat itself.

COUSIN MONET

What secret? What secret?

### **scene 12**

*at the fence at the fence Maria is confronted by her friends for speaking to a Van Gogh*

MARIA MONET

Why are you two following me? Go away!

FRIDA KAHLO

You are dreaming if you think there is anything to be gained by talking to a Van Gogh!

GEORGIA O'KEEFE

She's right Maria! I may be known as a modernist painter but your actions are WAY too modern even for me!

FRIDA KAHLO

You are only thinking of yourself!

GEORGIA O'KEEFE

This coming from the woman who is constantly painting portraits of herself.

MARIA MONET

You don't understand! Neither of you do! Tony is.....different!

FRIDA KAHLO

You have to snap out of this. It's like my work - it may look like a dream but you have to accept it as a reality!

GEORGIA O'KEEFE

What do you expect will come of you talking to him?

MARIA MONET

Shhh! Here he comes! If you won't leave then just please be quiet...and nice!

**scene 13**

*in the field the sunflowers consider what life would have be like if there was no feud*

**SUNFLOWER 1 - Sunny**

I am so thirsty.

**SUNFLOWER 2 - Sally**

Why hasn't anyone come out to water us?

**SUNFLOWER 1 - Sunny**

I don't remember the last time we were watered.

**SUNFLOWER 2 - Sally**

It's been days and days and days.

**SUNFLOWER 3 - Suzie**

It's because of their feud!

**SUNFLOWER 4 - Sammy**

Their feud is ALL they ever think about!

**SUNFLOWER 5 - Sandy**

They are so busy feuding they aren't paying attention to their chores!

**SUNFLOWER 3 - Suzie**

Wouldn't it be grand if they weren't always feuding?

**SUNFLOWER 4 - Sammy**

Keep dreaming!

**SUNFLOWER 5 - Sandy**

Wouldn't it be great if they watered us?

**SUNFLOWER 6 - Stella**

They didn't always feud you know....

**SUNFLOWER 7 - Sheila**

Really?

**SUNFLOWER 6 - Stella**

Sure! They're just so stubborn they've forgotten the truth of the past.

**SUNFLOWER 7 - Sheila**

The truth of the past? What is it?

**ALL SUNFLOWERS**

Tell us!

**scene 14**

*on the Van Gogh farm the decision is made to stop Tony from speaking with the Monets*

**PAPA VAN GOGH**

*putting down the binoculars*

I have seen enough! No son of mine is going to become friendly with a Monet!

**MAMA VAN GOGH**

Where are you going?

**PAPA VAN GOGH**

I am going to stop him from making a huge mistake!

**MAMA VAN GOGH**

All this fighting has me feeling like we have forgotten something.....

**GRAMMY VAN GOGH**

It's hard ot forget what you never knew!

**COUSIN VAN GOGH**

Grammy what are you talking about?

**GRAMMY VAN GOGH**

I'm just saying that maybe it runs in the family....

**COUSIN VAN GOGH**

What runs in the family?

**PAPA VAN GOGH**

I'll tell you what needs to run! Tony needs to run away from that Maria!

**MAMA VAN GOGH**

Now I remember! When was the last time anyone watered the sunflowers?

**GRAMMY VAN GOGH**

The two of you have been so angry at the Monets for stealing your water that you've totally forgotten to care for your seedlings!

**COUSIN VAN GOGH**

The only seedling that needs taking care of is one Tony Van Gogh!

*storms off*

**PAPA & MAMA VAN GOGH**

Wait for us!

*both follow him*

**GRAMMY VAN GOGH**

Hold on I can't walk that fast!

*slowly follows after them*

**scene 15**

*at the fence Tony explains to his friends that the feud needs to end*

**TONY VAN GOGH**

Look, this whole feud is a giant misunderstanding!

**PABLO PICASSO**

I think what YOU don't understand is how angry your Papa is going to be if he finds out you have been visiting with a

Monet!

**EDGAR DEGAS**

They are the whole reason why your family's sunflower field is so droopy!

**PABLO PICASSO**

They're a selfish family who only want your water for their waterlily pond!

**EDGAR DEGAS**

Hmmmm, that IS strange.

*looks across fence*

**TONY VAN GOGH**

What is?

**PABLO PICASSO**

What are you talking about Edgar?

**EDGAR DEGAS**

Well, if they ARE stealing the water from your sunflower field then what are they doing with it? Their lily pond is dry and muddy!

*points over fence*

**TONY VAN GOGH**

I told you! The Monets are not the reason the sunflowers aren't getting watered...The Van Goghs are!

**scene 16**

*in the pond the water lilies consider what life would have be like if there was no feud*

**WATERLILY 1 - Wilma**

What I wouldn't give to be floating in some clear cool water!

**WATERLILY 2 - Wanda**

My leaves are heavy with mud!

**WATERLILY 1 - Wilma**

It's been weeks since Papa Monet has come here to paint.

**WATERLILY 2 - Wanda**

He probably doesn't have enough brown paint on his palette!

**WATERLILY 3 - Wendy**

He hardly ever paints anymore.

**WATERLILY 4 - Winnie**

All he does is feud! That's what they ALL do!

**WATERLILY 3 - Wendy**

Remember when the whole family would come down here to the pond to pick water lilies and tend to the weeds?

**WATERLILY 4 - Winnie**

Those were the good old days.

**WATERLILY 6 - Waverly**

If they only remembered about the REALLY good, REALLY old days!

**WATERLILY 7 - Winona**

What are you talking about?

**WATERLILY 6 - Waverly**

They're just so stubborn they've forgotten the truth of the past.

**WATERLILY 7 - Winona**

The truth of the past? What is it?

**ALL WATER LILLIES**

Tell us!

**scene 17**

*on the Monet farm the decision is made to stop Maria from speaking with the Van Goghs*

**PAPA MONET**

*putting down binoculars*

I am not just going to stand here while my daughter is sneaking around with a Van Gogh!

**MAMA MONET**

Where are you going?

**PAPA MONET**

WE are going down to that fence for an intervention!

**MAMA MONET**

We haven't gone anywhere as a family since we started feuding!

**GRAMMY MONET**

We used to go the the lily pond all the time!

**COUSIN MONET**

That was before those Van Goghs stole our pond water for their sunflowers!

**GRAMMY MONET**

There was a time when the sunflowers grew right on the banks of the lily pond.

**COUSIN MONET**

REALLY? I find that hard to believe.

**PAPA MONET**

What's hard to believe is that Maria is becoming friendly with our family's enemy!

**MAMA MONET**

A Monet and a Van Gogh can't be friends!

**GRAMMY MONET**

Oh they can, and they did....but that's just water under the bridge...

**COUSIN MONET**

Huh? I thought the problem was that there WAS no water under the bridge?

**PAPA MONET**

Well? Are you coming with me?

*storms off*

**MAMA MONET**

Watch what you say Papa!

*follows him*

**COUSIN**

Yeah, you don't want to make a bad impression!

*chases after them*

**GRAMMY**

The past just keeps repeating itself....wait for me!

*slowly following*

**scene 18**

*at the fence Maria explains to her friends that the feud needs to end*

**MARIA MONET**

This whole feud between our families is based on ignorance!

**FRIDA KAHLO**

What I think YOU are ignorant of is how much trouble you will be in if your family finds out!

**GEORGIA O'KEEFE**

The Van Goghs are a selfish family who steal your pond water so their sunflowers can grow big and beautiful!

**FRIDA KAHLO**

Ummmm.....that IS very curious, don't you think?

*point across fence*

**GEORGIA O'KEEFE**

You would expect those sunflowers to be less droopy with all the water they are getting from the Monet's pond.

**MARIA MONET**

They aren't getting any POND water! They aren't getting ANY water!

**FRIDA KAHLO**

Well then where is all of the pond water going?

**GEORGIA O'KEEFE**

It's hard to see the pond through all of the weeds and mud choking the shoreline.

**MARIA MONET**

I told you! The Van Goghs aren't the reason the pond is low on water...the Monets are!

**FRIDA & GEORGIA**

Huh?

**MARIA MONET**

With all the feuding neither family has done any caretaking! All they've done is blame each other!

**scene 19**

*at the fence the families meet to stop Tony and Maria but instead are convinced to end the feud*

**PABLO PICASSO**

So no one has been stealing anyone's water?

**EDGAR DEGAS**

And we don't have any reason to hate the Monets?

**TONY VAN GOGH**

That's what I've been trying to tell you. Our families used to be friends.

**MARIA MONET**

But now they're so caught up in the feud, they can't see how similar we are.

**FRIDA KAHLO**

But will your parents ever believe you?

**GEORGIA O'KEEFE**

How are you going to get them to stop fighting?

**TONY VAN GOGH**

We're going to tell them the truth. That we don't have any reason to hate each other.

**MARIA MONET**

And that we should all just get along. We can paint a different picture for our future.

*the Van Gogh family and the Monet family storm in*

**PAPA VAN GOGH**

Ah ha! We caught you!

**MAMA VAN GOGH**

Tony Van Gogh, what do you think you're doing?

**PAPA MONET**

You've been caught red-handed!

**MAMA MONET**

Maria Monet, you are grounded for the rest of your life!

**GRAMMY VAN GOGH**

This is just like the last time.

**COUSIN VAN GOGH**

What do you mean last time?

**GRAMPY MONET**

I never thought I'd see a Monet and a Van Gogh working together again.

**COUSIN MONET**

Did you say AGAIN?

**TONY VAN GOGH**

The Monets aren't stealing our water for their pond.

**MARIA MONET**

And the Van Goghs aren't using our water for their sunflower field.

**PAPA & MAMA & COUSIN VAN GOGH**

What?

**PAPA & MAMA & COUSIN MONET**

Is that true?

**PABLO & EDGAR**

It is! Everybody has been fighting!

**FRIDA & GEORGIA**

And nobody has been farming!

**VAN GOGH FAMILY**

So it's our fault our sunflowers are droopy?

**MONET FAMILY**

And it's our fault our pond is muddy?

**TONY VAN GOGH**

But it doesn't have to be that way. The Monets and the Van Goghs used to work together.

**MARIA MONET**

They took care of the sunflowers and the water lilies together. And they painted side by side.

**VAN GOGH FAMILY**

When they're not muddy, your water lilies are quite colorful.

**MONET FAMILY**

And when they aren't droopy, we do like your sunflowers.

**EVERYONE**

Maybe we could help each other.

**scene 20**

*at the fence the sunflowers & the water lilies reveal what happened to everyone once the feud ended*

**SUNFLOWER 1 - Sunny**

The Monets and the Van Goghs tore down the fence between their farms.

**SUNFLOWER 2 - Sally**

They used the wood to build new easels.

**SUNFLOWER 3 - Suzie**

Papa Van Gogh and Papa Monet spend hours painting all over the farm.

**SUNFLOWER 4 - Sammy**

They're opening a new exhibit together soon.

**SUNFLOWER 5 - Sandy**

Their families are going to throw a huge party for them.

**SUNFLOWER 6 - Stella**

Maria and Tony and all of their friends paint together now too.

**SUNFLOWER 7 - Shelia**

Pablo has started giving lessons in cubism. But it's not everyone's style.

**WATERLILY 1 - Wilma**

Both families work together to take care of the farms now.

**WATERLILY 2 - Wanda**

The sunflowers get watered every day.

**WATERLILY 3 - Wendy**

And our pond is always full of clear, clean water.

**WATERLILY 4 - Winnie**

Now we're always in full bloom.

**WATERLILY 5 - Whitney**

Ready to be beautifully painted once again.

**WATERLILY 6 - Waverly**

Grammy and Grampy have started playing bridge together once a week.

**WATERLILY 7 - Winona**

Whiskers and the rat are still best friends.

**EVERYONE**

And everyone lived happily ever after.

**finale: LOVE GROWS**
