

Stage Players Virtual Week Three

Monday, Tuesday, and Wednesday Classes

Here is your **WEEK THREE VIRTUAL ASSIGNMENT**

1. FILM YOUR CHILD'S LINES FROM SCENE THREE.

After you film their line, if they think of something else their character might say to go along with it, you can film that too. Just make sure you **DEFINITELY** film their scripted line so that our movie makes sense!

2. FILM YOUR CHILD SINGING THEIR SONG (in costume)

The best way to do this would be to have the kids sing along with the music by listening to it through **HEADPHONES**. If this isn't possible, have them sing along with it but make sure their voice is louder than the music playing.

Have fun!
