

Stage Players Virtual Week Four

Monday, Tuesday, and Wednesday Classes

Here is your **WEEK FOUR VIRTUAL ASSIGNMENT**

1. FILM YOUR CHILD'S FOOD REACTIONS. ONE GOOD, ONE BAD!

Ideally, we'd love to have them ACTUALLY EATING something. It can be anything they would eat with a fork or spoon and the more they eat, the funnier it could be. Feel free to let them play around with how big their reactions are.

2. FILM YOUR CHILD DANCING TO THEIR SONG

Because I'm learning in this process as well, the singing that we did may not end up working the way I had hoped. Because of that, I'd love a back-up plan of the kids DANCING to their song. It can be any kind of dance they'd like and the music can be nice and loud, just make sure they don't sing along to this one!

3. FILM YOUR CHILD'S CURTAIN CALL

Have them imagine it's the end of the play and it's their turn to bow. They can bow, curtsy, wave, even say thank you and blow kisses - whatever they want!

Have fun!
