

Stage Players Virtual Week One

Monday, Tuesday, and Wednesday Classes

Here is your **WEEK ONE VIRTUAL ASSIGNMENT**

- 1) Remind your child of who their character is (**CAST LIST on WEBSITE & in this week's EMAIL**)
- 2) Find clothing or other material in the house that would make a good **COSTUME** (get as creative as you'd like). When you're done, be sure to keep the costume in a safe place so you can film with it each week
- 3) Film your child saying their **NAME** and their **CHARACTER** ("Hi, my name is _____ and I play _____")
- 4) Throughout the movie, we'll be using different **REACTIONS** from the students. Please film your child doing each of the following looks:
 - An evil laugh
 - A funny laugh
 - An exaggerated cry
 - An angry look
 - A surprised look
 - Pointing off camera in shock
- 5) During their first two classes, some lines were already established. Film them saying their **MORNING ON THE FARM LINE**. If they don't remember what it is, that's completely fine. Have them say something they **THINK** their character might say if it was **MORNING ON THE FARM**.

And that's it! As I mentioned, next week I'll be sending a script along with another **VIDEO ASSIGNMENT**.

Have fun!
