

THE B.F.G. SONG

Listen now as we show
A GIANT scary play
Orphans taken from their beds
By GIANTS here today!

Sleeping sound we all get
Dreams inside our head
From a creature oh so tall
Who keeps us in our bed.

The tallest one of all
The Big Friendly Giant

CHORUS

He's the B-F-G
A giant so tall and friendly
He's the B-F-G
And he'll protect you and me
He's the B-F-G
A giant so tall and friendly
He's the B-F-G
And he'll protect you and me

Human beings do not know
That giants are around
They tip toe up and down the street
And do not make a sound

But hungry GIANTS also roam
And they are out to eat
Orphans just like you and me
With hands and arms and feet

Who will stop them all
The Big Friendly Giant

repeat chorus

Cuz he's the B-F-G
The B-F-G
